ORIENTATION PROGRAM

Glimpses from the 4th Orientation Program for Elysian Medicos held on 9th November 2023 with Our Chief Guest Dr.Ramachandran, Associate professor, Nandha Arts and Science College, Erode. The session was very informative, the speaker had well explained the importance of right perception & cognition, and the persisting complications of wrong perception in students community. Our Professor Dr.Renjish honoured him with a memento. We thank Our Management for the opportunity.
